

REMARKS

Claims 1 to 22 are pending in application.

Claims 1 to 22 are subject to an election of species requirement.

Applicants elect, with traverse, the species embodied in Fig. 5. The traversal is based on Applicants' view that the species embodied in Fig. 5 and the species embodied in Fig. 3 can reasonably be examined concurrently. Claims 1 – 22 are believed to be generic to the elected species.

Applicants respectfully request examination of the application and allowance of the claims.

Respectfully submitted,

Date: October 5, 2005

Peter D. McDermott
